

FVC-AD Training 2009 - 2010

Adult Development II (Trainer II)

Dates: January 22, 23, 24, 2010, &
March, 19, 20, 21, 2010
Offered by: Fraser Valley Council
Location: Camp McLean
Who for: Both Section & Service Scouters

This course is the second step along developing skills in both 'training' and course design and management skills.

Trainer II is not necessarily offered every year, so don't miss this opportunity to continue down your learning path for development as competent, committed, connected and highly effective members of Scouts Canada.

FVC has always put on excellent courses and to maintain our high standard we need to encourage scouters, both service and program, to take the training path as part of their scouting life, and to join our pool of Council trainers.

Please contact me to apply for this course or with any questions.
